

C. Injury and Illness Policy:

Soccer is a physical sport where injury, though regrettable, is sometimes unavoidable. The club also understands that in club of our size players may contract serious illness. With this in mind the club financial policy is as follows:

“Injury” or “illness”, for these purposes, is defined to include physical maladies causing a player to be unable to play or practice for a minimum of two months.

The club shall act according to all rules and regulations of Cal South and its affiliated leagues fulfilling requirements for reporting injuries to the appropriate agency. A copy of the injury report should also be turned in to the Real So Cal office. In the case of severe illness, the manager shall also turn in a brief report to the soccer office.

Should it be found that a player is unable to return for the remainder of the seasonal year, a player release shall be initiated and appropriate refund issued according to the refund policy.

Should a player be out for 60 days or more, financial consideration will be made as follows:

Younger Policy (U8-U14) & All DA teams	Older Policy (U15-U19)
60-90 days: 10% of the fee for the seasonal year	60-90 days: 15% of the fee for the seasonal year
90-120 days: 20% of the fee for the seasonal year	90-120 days: 25% of the fee for the seasonal year
120-150 days: 30% of the fee for the seasonal year	120-150 days: 35% of the fee for the seasonal year
150-180 days: 40% of the fee for the seasonal year	150-180 days: 45% of the fee for the seasonal year
180+ days: 50% of the fee for the seasonal year	180+ days: 50% of the fee for the seasonal year

Credits or refunds will only be issued to players that have paid their fees in full and are not receiving any form of financial aid from the club. Refunds will only be issued to players being released from rosters and not returning for the following season. Otherwise, credits will be issued to qualifying players to be applied to the following season.

Older Injury or Illness (U15 – U19): For the purpose of this policy, days of injury/illness do not include the months of December, January and February.

Younger Injury or Illness (U8 – U14): For the purpose of this policy, days of injury/illness do not include the month of June.
