

Volunteer Hours 2018/2019

Our club depends on the help of volunteers to be successful. The primary need for volunteers is referees for our West Valley Soccer League recreational program. There are very few non-referee volunteer opportunities (less than 5%) that come up throughout the season. Since these are very rare, it is essential that everyone plans on completing their volunteer requirement through refereeing. For those who fail to meet the guidelines below in a timely manner, Real So Cal leadership reserves the right to assign families to referee slots.

The volunteer requirements are as follows and are for each player (not family) in the club:

- **4 hours – All Players**

Two hours must be completed by the end of the fall league season. The remaining 2 hours must be completed by the end of the spring recreational season (typically the beginning of May). You may opt out of your 4 hour requirement by paying the \$200 opt out fee at time of registration. You may also opt out of any portion of these 4 hours up front at \$50/hour. Plan carefully! If you do not opt out when you register for the season, and do not fulfill your commitment, you will be responsible to pay \$300 (or \$75/hour for all hours not completed) before you register your player for the next season.

- **0 hours – The designated team administrator for each competitive team.** This person must be identified by time of team registration. Up to two administrators per team will be considered. The administrators must be risk managed and carded and identified to Rose and Darlene at time of team registration. It is expected that a breakdown of duties will be provided to Rose and Darlene prior to approval of co-admins. No exceptions or modifications during the season.

- **2 hours** – Players who start 12/1 or after

- **0 hours – The player(s) of a Real So Cal HEAD coach.**

- **0 hours – An individual who is a HEAD coach in the WVSL recreational program.** The individual must be registered in the WVSL database as a HEAD coach. Assistant coaches or team parents do not qualify.

FOR THOSE FAMILIES WHO HAVE NOT COMPLETED THEIR VOLUNTEER REQUIREMENTS FOR 2017/2018, they must pay \$75 per hour for each hour not completed in 2017/2018. This fee must be paid PRIOR to team registration.

Any non-referee volunteer opportunities MUST be approved in advance by Rose Covert or Darlene Quintanar. No exceptions.
